Perfect Potato Pouch

The PERFECT POTATO POUCH is a FDA approved microwavable cloth pouch used to cook potatoes or other vegetables quickly and easily in your microwave without drying them out. In fact you'll never have fluffier, tastier microwave baked potatoes than when using the Perfect Potato Pouch!

It couldn't be any easier to use... Just wash potatoes or other vegetables and place them in the FDA approved pouch. It's not just for potatoes! Other commonly cooked foods: Artichokes, Asparagus, Baked Apples, Broccoli, Brussels Sprouts, Carrots, Cauliflower, Corn on the Cob, Green Beans, all kinds of Potatoes, Winter Squash and Yams.

It can also warm pastries and rolls. Try all kinds of different foods, but please do note that since microwaves vary in power and cooking time. So you'll need experiment with cooking times if it isn't in our guide. Even when using the guide, if you find your food is under cooked, then you should cook in additional 30 second increments to get the food just the way you like it.

CARE INSTRUCTIONS: It is recommended that you wash the pouch before using the first time and after each use to prevent food remnants from sticking or burning.

Perfect Potato Pouch Care Instructions:

Toss in the washer with cotton towels.

Machine wash in warm or cold

No chlorine bleach

Tumble dry low or air dry

Do not put foil or metal in the pouch.

This is designed for use in a microwave with a working turntable that is at least 12 in diameter. Do not use as a potholder or oven mitt. This is **ONLY TO BE USED IN A MICROWAVE** not in a conventional or convection oven. Or stove top.

Be careful when removing from the microwave. Let the food stand for a few minutes before removing food from the pouch as the food and pouch will be steamy hot.

Tips & Tricks

In order to make sure you use the Perfect Potato Pouch as best you can, here are a few tips and tricks which will help to make your life even easier:

- You can keep your food warm until you are ready to serve/eat by keeping the food inside the pouch until you are ready to enjoy!
- Make sure you have your toppings/fillings ready before you cook your potatoes, as you will only have four Perfect Potato Pouch to create them
- Wash the Perfect Potato Pouch every time you use it so food does not stick to the interior of the product and prevent it from working to its full ability
- Plan your next meal ahead of time so you know you have the right ingredients at the ready, so you can quickly create a meal your family will love
