

Microwave Cool Caddy

Instructions

Thank you for your purchase.

Microwave Cool Caddy makes eating hot food from the microwave easy and safe to prevent burnt fingers. Built in with two handles fit all size hands.

Features:

- Convenient handles allow for easy lifting and safely remove hot plates / bowls from the microwave.
- Item works with 5" bowls and up to 10.5" wide plates..
- For microwave use ONLY.

Cleaning:

Please clean first before using. After use, hand wash in warm soapy water with cloth of soft sponge. Avoid harsh detergents and/or steel scrubbers and scour pads.

Cautions:

- Always use extreme caution when using and taking dishes out of the microwave.
- Keep away from children. Children should always be supervised when helping in the kitchen.
